Additional Information

Bulk Billed Consultations:

From **1st Nov 2023**, face-to-face Bulk Billing services apply to patients under 16 years, as well as Pensioners and Concession Card holders. To qualify for these benefits, patients are required to hold an active Medicare Card and a valid government-issued card.

GP Management Plans and Health Assessments will remain Bulk Billed for all patients.

Workers Compensation and Pre-Employment Medicals:

All work-related appointments are payable at the time of appointment.

Mental Health, Driving Medicals & Home Visits:

Mental Health Consultations and Mental Health Plans and Reviews, Driving Medicals and Home Visits will remain privately billed for all patients, payable at time of appointment.

Medical Procedures:

All procedures will incur a Consumable and Consultation Fee, payment the time of treatment. This fee encompasses the expenses associated with equipment and materials provided in the treatment room.

Payment Queries:

Requesting changes to your payment is not deemed appropriate. All consultations amounts strictly adhere to Medicare and AMA guidelines. If you have concerns, we kindly advise you to reach out to your local health minister for further consideration.
